

Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

1. (Original) A cell growth-suppressing agent comprising any one of (a) to (c) as an active ingredient:

- (a) a single-stranded RNA complementary to a transcript of WT1 gene;
- (b) a DNA encoding the RNA of (a); and
- (c) a vector carrying the DNA of (b) as an insert.

2. (Original) The cell growth-suppressing agent of claim 1, wherein the single-stranded RNA is complementary to the nucleotide sequence of the WT1 gene transcript shown in SEQ ID NO: 1.

3. (Currently Amended) The cell growth-suppressing agent of claim 1 or 2, wherein the single-stranded RNA comprises the nucleotide sequence of SEQ ID NO: 2.

4. (Original) A cell differentiation-inducing agent or cell death-inducing agent comprising any one of (a) to (c) as an active ingredient:

- (a) a double-stranded RNA comprising an RNA complementary to a transcript of WT1 gene and an RNA complementary to the RNA;
- (b) a DNA encoding the double-stranded RNA of (a); and
- (c) a vector carrying the DNA of (b) as an insert.

Attorney's Docket No.: 14875-169US1 / C1-A0402P-US

5. (Currently Amended) The agent of claim 4, wherein the single-stranded double-stranded RNA is complementary to the nucleotide sequence of the WT1 gene transcript shown in SEQ ID NO: 1.

6. (Currently Amended) The agent of claim 4 or 5, wherein the single-stranded double-stranded RNA comprises the nucleotide sequence of SEQ ID NO: 2.

7. (New) The cell growth-suppressing agent of claim 2, wherein the single-stranded RNA comprises the nucleotide sequence of SEQ ID NO: 2.

8. (New) The agent of claim 5, wherein the double-stranded RNA comprises the nucleotide sequence of SEQ ID NO: 2.
